Subject: ..... Financial Sponsorship

Dear Mr. Tony,

My name is (.....). I am a student, and I just completed my graduation, and I'm planning to go for an MBA at Central Florida University. My course starts on August 6, 2021. I am a hardworking student with an interest in expanding my knowledge in various aspects. My educational journey was a great success. I'm very grateful to all my preceding sponsors, teachers, and parents for their treasured support. I am one of the elite students at my university. In my education career, I have won many awards.

Your assistance and response to my letter would be of great help to me and help me reach my goals and ambitions. I belong to a working-class family. So far, all the expenses of my education have been borne by my parents. But the cost of MBA courses will be unbearable for my family. And unfortunately, course fees are increasing yearly, and it is challenging for my family members and me to meet this expense. So if you can sponsor me for my next step of academics, it will be of great help for me to go to college without any worries. Therefore, I am enclosing my course details and fee structure along with this letter.

Much obliged for giving me your valuable time and diligence regarding reading my letter. If you have the time, please do feel free to share your response with me.

Yours Sincerely
