Dear Sir/Madam,

My name is Amit Mukherji, currently residing in New Delhi, India, and I belong to India. I am writing this letter to confirm my sponsorship for Rahul Sharma for higher education. He will be visiting the United Kingdom for two years between August 2018 and August 2020.

I enclosed additional resources to support my grant request to this person. These donations, including transportation, food, clothing, and utilities, will pay for her expenses. Please feel free to get in touch for any additional information, and I will do whatever I can to help you.

Sincerely,
